

## Murray City History Advisory Board

### Minutes for January 23, 2019

Attendance: Mildred Horton, Rebecca Santa Cruz, Wendy Parsons Baker, Laurel Shepard

Staff: Lori Edmunds, Katie Lindquist,

Excused: Jennifer Broschinsky

Guests: Alena Franco, Amber Anderson

1. The minutes from October 2018 were voted on and passed as written.
2. Museum update: Jennifer was excused.
3. StEPS museum training: Lori reported that staff is continuing training and have started the second module which is on Management. Katie attended a museum volunteer training and is now working on a Murray City Cultural Arts Volunteer handbook focusing on volunteer training and expectations.
4. Demolition requests for this month were:
  - 497 W. 4800 S. which is not on the register
  - 6575 S. Jefferson St. which is on the register. Lori and Sara had looked inside the home and pictures were taken on a second visit with Katie. Lori reported that she is having Korral do an ILS on this property. Lori will contact the developer and the City to let them know that all the history requirements have been met.
  - The renters of the Tea Rose Diner have contacted the City and have requested permission to cut a hole in the east side of the restaurant which is hooked onto the Margaret Caruth Cahoon home. Lori, Katie, Kim Sorensen (Parks Director), Bruce Holyoak (Parks Superintendent), and Jeff Martin (Building Maintenance Director) took a tour of the City RDA buildings and toured inside the home. The History Board would like to look inside the home.
5. Amber Anderson the Tax Credit Coordinator and Alena Franco the CLG Coordinator from the Utah State Historic Preservation Office provided training for the board concerning tax credits. They explained the difference between tax deductions, and tax credits and provided insights on what the tax credits can be used for. They also are providing 600 postcards that will be sent to all the 537 historic properties in Murray City. Alena also said that Lori could edit her CLG grant to include postage for these postcards.

The board will be sending out two mailers this year. One explaining the difference between a tax credit and a tax deduction, the other will be the postcard which includes resource information for owners. The board will also be putting together new move in packets with information on historic homes. This will be done with the help of Amber and Alena. The board would like to provide each historic home on the National Register, the story of their property. Lori said that she will need some extra help with this, and Lori and Katie wondered if some of the people at the Senior Recreation

Center would be able to help. They will research it and report back to the board in February.

Sara adjourned the meeting.

The next meeting will be held on February 27, 2019 at 6:00 P.M.
