Murray City Center District Committee Meeting Opening Statement

As the vice-chair of the Murray City Center District Design Review Committee, I, Andy Hulka, have determined that due to infectious disease COVID-19 Novel Coronavirus, holding an in-person meeting with an anchor location presents a substantial risk to the health and safety of those in attendance.

Under these circumstances, Utah Code 52-4-207(4), allows for electronic meetings to be held without an anchor location so long as the public has an opportunity to view the meeting and submit public comments.

We are holding tonight's Design Review Committee meeting via video conference. If you have a public comment to submit to the Design Review Committee, please do so via email at planning@murray.utah.gov.
