

# Murray City Corporation

## NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that on the 4<sup>th</sup> day of August 2020, at the hour of 6:30 p.m., the Murray City Municipal Council will hold and conduct a hearing on and pertaining to the consideration of amending the General Plan from Low Density Residential to Medium Density Residential and amending the Zoning Map from the R-1-8 (Low Density Single Family) zoning district to the R-M-10 (Medium Density Residential) zoning district for the properties addressed 388 East and 398 East 4800 South, Murray, Utah.

The purpose of this hearing is to receive public comment concerning the proposed amendment to the General Plan and Zoning Map as described above.

Considering the continued rise of COVID-19 case counts in Utah, meeting in an anchor location presents substantial risk to the health and safety of those in attendance because physical distancing measures may be difficult to maintain in the Murray City Council Chambers. Therefore, the City Council Chair has determined that to protect the health and welfare of Murray citizens, an in-person City Council meeting, including attendance by the public and the City Council is not practical or prudent. In order to safeguard the health of residents, business owners, city employees and elected officials, the hearing will be conducted electronically as authorized by the Governor's Executive Order 2020-5 (suspending the enforcement of certain provisions of the Open and Public Meetings Act) issued March 18, 2020 and by City Council Resolution No. 20-13 adopted March 17, 2020. The public may view the meeting via the live stream at [www.murraycitylive.com](http://www.murraycitylive.com) or <https://www.facebook.com/MurrayCityUtah/>. No physical meeting location will be available.

Members of the public may provide public comment by sending an email in advance or during the meeting to [city.council@murray.utah.gov](mailto:city.council@murray.utah.gov). Comments are limited to less than 3 minutes, include your name and contact information, and they will be read into the record.

DATED this \_\_\_\_\_ day of \_\_\_\_\_, 2020.
