Planning Commission Meeting Opening Statement

As the chair of the Murray City Planning Commission, I, Phil Markham, have determined that due to infectious disease COVID-19 Novel Coronavirus, holding an in-person meeting with an anchor location presents a substantial risk to the health and safety of those in attendance.

Under these circumstances, Utah Code 52-4-207(4), allows for electronic meetings to be held without an anchor location so long as the public has an opportunity to view the meeting and submit public comments.

We are holding tonight's Planning Commission meeting via video conference and the meeting is being livestreamed at www.murraycitylive.com. If you have a public comment to submit to the Planning Commission, please do so via email at planningcommission@murray.utah.gov.
