### **Hearing Officer Meeting Opening Statement**

As the Hearing Officer of Murray City, I, Jim Harland have determined that due to the continued rise of COVID-19 case counts, holding an in-person meeting with an anchor location presents a substantial risk to the health and safety of those in attendance.

Under these circumstances, House Bill 5002, an amendment to the Open and Public Meetings Act, allows for electronic meetings to be held without an anchor location so long as the public has an opportunity to view the meeting and submit public comments.

We are holding today's Hearing Officer meeting via video conference. If you have a public comment to submit to the Planning Commission, please do so via email at [planning@murray.utah.gov](mailto:planning@murray.utah.gov).
