WATER/SANITARY SEWER ABANDONMENT AGREEMENT

Company Doing Work:	
License No:	
Applicant Name:	
Owner of Property:	
Address:	
City, State, Zip:	
Location of Work Being Done:	
Email:	Phone#:

AGREEMENT/ACKNOWLEDGEMENT

- 1. Public Right of Way Encroachment Permit-** Applicant must obtain necessary permit thru Engineering Department before digging in any city right of way. (Sam Adams 801-270-2402)
- 2. Permission for Water/Sewer Abandonment-** Applicant understands that this form is a request for a qualified licensed contractor to terminate water and or sewer services at given work address only. All work must be coordinated with city inspector prior to termination. Applicant understands that once work is done and inspected they must get signature from inspectors and return this form to Water Superintendent for final signature for advancement to building department for actual demolition permit.
- 3. Sewer Lateral Reuse-** Applicant understands that any sewer lateral intended for reuse must be inspected by lateral camera at cost of owner with city inspector present for approval for reconnect. It is up to inspector if owner will need to install liner for reconnect.
- 4. Sewer Lateral Termination-** All laterals must be terminated at property line no matter the intent on reconnecting at some later date. No exceptions!

CHECK/ACKNOWLEDGE All That Apply

- I understand that by changing the use of the property from residential to commercial, the water service must be brought up to Murray City's minimum specification standards for water of 1" copper from the street to the water meter with 1" yoke.
- Yes, I want the water and sewer services terminated permanently.
- I understand if I keep water in service for construction use, it is my responsibility to get water service terminated before final occupancy or meter can be set.
- No, I do not want the water service terminated, I intend on using it in the future.
- I understand that Murray City Water has informed me that services are provided by another utility and is my responsibility to contact utility for instructions on service termination, Murray Water will not sign this form. Building department will not issue a demo permit without proper documentation from outside utility providers of completed work.
