2021 Rates & Fees

WFWRD's Administrative Control Board approved our Budget & Fee Schedule for 2022. The base fee for residential services will remain at \$17.00 per month (\$204.00 per year). Although there is not a fee increase to the residential base fee, the following have been approved for 2022:

- New can fees will increase from \$50.00 to \$60.00 while discontinuing the \$10.00 stand-alone delivery fee.
- New Home Startup Fees will increase to \$130.00 to cover the costs for two new can purchases (garbage/recycling) (\$60.00 per can + \$10.00 delivery = \$130.00).
- Damaged Can Fee of \$70.00 for customer-caused damage of a can will be discontinued. All replacement can fees will be at \$70.00.
- Fees for a refurbished can will increase from \$20.00 to \$35.00.
- New fee of \$120.00 for a 14-yard roll-off container, requested by municipalities for cleanup events, which shall include the delivery of the container and up to two tons of disposal per container.

All of these fee increases are due to continually increasing disposal and operating costs. A complete listing of rates & fees, along with our budget presentation, can be found on our website, at: <https://wasatchfrontwaste.org/rates-fees>.

Curbside Christmas Tree Collection

For WFWRD customers, we will be collecting Christmas trees during the month of January. For collection, place your undecorated tree on your curb. The trees will be collected the day after your regular collection day during the month of January. If we don't get your tree one week, we will be back the following week. Please call our office, or chat with us on our website for additional information.

- Please remove all snow off the tree
- We cannot accept trees with decorations, lights, tree stands, or flocking.
- Do not place the tree in your garbage, recycling, or green waste can.
- If the tree is over eight feet tall, please cut it into smaller sections.
- We cannot accept artificial trees

Recycling Reminder

As gifts and presents are exchanged this season, please remember that paper-based wrapping paper is recyclable; but plastic or Mylar wrapping, and bows/ribbons, are not recyclable. Additionally, cards with foil elements or glitter are not recyclable.

Facebook/Twitter

As we move into the cold, winter months; we also see the possibility of bad weather affecting our ability to provide timely service to your neighborhood. Our [Facebook](#) and [Twitter](#) pages are the best way for residents and customers to find out if there could be a delay in service due to weather or traffic complications. Please follow us on [Facebook](#) and [Twitter](#) to stay apprised of these issues, and also to receive waste and recycling tips and updates.
