C. Modification: The City reserves the right to amend or modify the schedules provided in subsections A and B of this section.

D. New Construction: All new construction water users must sign up for water service before any water use is allowed for construction. The City will allow a temporary metered connection, not to exceed one hundred eighty (180) days, which will allow the permittee to use water for construction related uses on the affected parcel. Contractors shall not make a connection inside of the meter box. Water may not be used for any purpose away from the affected parcel, such as dust suppression or construction work on another parcel. The City may terminate a temporary connection for the illegal use of water in violation of this subsection. (Ord. 18-05: Ord. 17-40)

....

Section 3. Effective date. This Ordinance shall take effect upon first publication.

PASSED, APPROVED AND ADOPTED by the Murray City Municipal Council on this 4th day of March 2025.
