

JOB DESCRIPTION

Title: **UTILITY ARBORIST**
Department: Power
Class Code: 7100
FLSA Status: Non-Exempt
Effective Date: July 1, 1982 (Rev. 02/2021)

GENERAL PURPOSE

Under general supervision of the Forestry Supervisor and immediate supervision of the Forestry Crew Supervisor, performs skilled arborist work.

ESSENTIAL DUTIES

- Inspects trucks, tools and equipment used in forestry and ground maintenance, for safe condition and efficient operation, and reports necessary repairs.
- Prunes, removes, and maintains trees and vegetation from conflict with overhead power lines and structures. Works around energized conductors to maintain and clear utility rights-of-way. Manually loads trucks with logs and other materials; cleans work areas; feeds brush chipper.
- Operates bucket trucks and other equipment around energized lines, climbs trees, operates chain saws, chipper, stump grinder, dump trucks, hydraulic pruning tools, snowplows, backhoe, etc.
- Plants, prunes, and maintains City street trees and City park trees.
- Fills in for the Forestry Crew Supervisor as assigned.
- Participates in the instruction and training of apprentice utility arborists in all phases of Forestry Division work assignments.
- Responds to after hour emergency call outs, particularly for work on tree-related problems.
- Performs snow removal and landscaping duties as assigned.
- Performs other duties as required.

MINIMUM QUALIFICATIONS

Education and Experience

- Graduation from high school plus successful completion of the Utah Arborist Apprenticeship Program (or equivalent), plus two (2) years of experience as a fully trained arborist involved in “hands-on” work in a comprehensive urban and/or utility forestry program.

Special Requirements

- Must possess a valid Utah Commercial Driver License (CDL).
- Must take troubleshooter's responsibility several times per year, for a period of seven (7) days each rotation, as determined by an assignment schedule adopted by the Department.
- Must possess, or be able to obtain during first twelve (12) months of employment, a current non-commercial Pesticide Applicator License from the State of Utah Department of Agriculture.
- Qualified applicants must pass a practical climbing skills evaluation.

Necessary Knowledge, Skills and Abilities

- Working knowledge of the objectives of the Murray City Forestry Program; working knowledge of various types of trees; working knowledge of tree planting, pruning, climbing, tree felling and removal techniques, working knowledge of the hazards and safety practices associated with utility line clearance work.
- Ability to perform strenuous physical activity; ability to work outside year round; ability to climb and work at heights of up to 100 feet without undue discomfort; ability to utilize safety procedures; ability to communicate both verbally and in writing.

TOOLS & EQUIPMENT USED

- Motorized vehicles and equipment including pickup, dump truck, aerial bucket truck, digger derrick, backhoe, pole climbing equipment, wire cutters, chain saw, tree climbing equipment, rigging equipment, ropes and various hand tools, and other equipment pertaining to this position.

PHYSICAL DEMANDS

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee is frequently required to stand; walk; use hands to finger, handle, feel or operate objects, tools, or controls; and reach with hands and arms. The employee is frequently required to sit; climb or balance; stoop, kneel, crouch, or crawl; talk or hear. Employee is occasionally required to smell.
- The employee must frequently lift and/or move up to 25 pounds and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. Must be able to meet DOT hearing standard requirements.

WORK ENVIRONMENT

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee regularly works in outside weather conditions. The employee frequently works near moving mechanical parts in high, precarious places and is frequently exposed to wet and/or humid conditions, ambient air, temperature extremes, fumes or airborne particles, traffic, toxic or caustic chemicals, risk of electrical shock, and vibration.
- The noise level in the work environment is usually high.
